

Trainee's View:

"I have learned a lot in the training. I wish to thank you for the great time. How I wish all personnel of Tadmur would have the chance of attending such kind of Training with you as a trainer. The training /seminar would not be valuable and effective if somebody will facilitate it. You are simply a "perfect trainer." "

A trainee from Tadmur Contracting & Trading, Doha, Qatar

Website:

www.shahzadtc.com

Language: English

Duration: 1 ½ - 1 ¾ Days

Target Audience: All managers and staff

We all have to make decisions, small or big, in our professional and personally life. In order to reach a sound decision, one needs to analyze the problem and find the best solution to solve the problem. This requires knowledge of decision making techniques.

Problem Solving Skills is an extremely practical training which will help you learn how to identify a problem, select the problem you should handle first and tell you ways on how to solve the problem.

Sneak Preview:

	Option A	Option B	Option C
Option A	x	A, 3-1=2 More chances to get CV from newspaper ad then head hunting	A, 3-0=3 Big chance to loose the client to the other agency and also the revenue
Option B	x	x	B, 3-0=3 Big chance to loose the client to the other agency and also the revenue
Option C	x	x	x

March 20, 2006
